

RESIDENTIAL INTERIORS

INTERIOR STYLES PREFERENCES

NOTE *ABOUT ESTIMATIONS* (IN INR.₹)

THINGS INCLUDED IN ESTIMATES:

- Design Consultation & Planning
- Material Selection (standard and mid-range)
- Furniture & Decor Selection (basic to mid-range, including ready-made or custom within limits)
- 3D Visualization (basic to mid-level)
- Lighting & Styling (standard to mid-range lighting, decor accents)
- Project Management (basic oversight and coordination)

NOT INCLUDED IN ESTIMATES:

- Designer's Fees
- Custom Furniture & High-End Decor (bespoke, imported items beyond standard options)
- High-End 3D Visualizations (advanced renderings and virtual walkthroughs)
- Renovation/Structural Work (major renovations, structural changes)
- Electrical/Plumbing Work (extensive wiring, plumbing modifications)
- Labor for Construction (contractor fees beyond basic project management)

These estimates provide a realistic range based on the current market for different styles and the factors involved in executing the design.
